It is engaging, exciting, and a wonderful chance for my students to get a taste of a new kind of ensemble playing! It is hard to imagine my life as a teacher and YouTube creator without Tomplay. Whether you're a lover of classic, pop, rock, jazz or film scores, choose between 2,000 backing tracks arranged for violinists of every level, from beginner to expert. The possibility to play with orchestral accompaniments or with the piano allows for a listening exercise that cannot be matched! How often do pianists have the chance to play accompanied by an orchestra? We now collaborate with discover more! Take your scores with you and play anywhere! A digitised score that automatically scrolls across the screen, synchronised with the accompanying music. The option to slow down / speed up the tempo of the accompaniment. The option to record your playing and listen to yourself. The option to personalise the sheet music with annotations. The option to choose a specific part of the music piece and practise it. The option to print your score and your annotations. It's a brilliant app all round. High marks for usability; the app is very easy to navigate, and the key features are simple to find and understand. "One day I found this app called Tomplay and I fell in love with it. This piece is part of our Spiritual Music for Violin Compilation. It brought to my cello students an excitement of new music discovery and convenience of having unlimited rehearsing time with accompaniment. It's the end of low-quality MIDI sound! All our scores contain accompaniment parts carefully recorded by professional musicians, or performers licensed with our partner, Deutsche Grammophon. The Tomplay app will make your practice more efficient, I highly recommend it!" Tomplay is the application that my students were missing. Stay up to date with our latest music articles! Discover thousands of sheet music arrangements for the violin with Audio accompaniment tracks. All videos with Tomplay have become instantaneous success in my channel. "Http://www.youtube.com/c/cellopedia Have you read our toblog? Tomplay is an offer of fantastic resources. Only that opportunity, very fun and educational, too. " Tompray is an excellent resource for my intermediate level piano students. This application has something for all, it is a great tool for any music. Our music catalog for violin contains numerous violin-piano duets with piano attached pieces, trios, quartets and quintets with the possibility of taking out part of the violin to be able to play along with the rest of the whole, as well as several pieces. With an accompanying orchestral. I started playing Rhapsody in Blue, Beethoven and Elton John and I could learn the scores much more quickly thanks to the accompanying Audio accompaniment. " Some people learn more quickly reading and others listening.
